Proposed Initiative Text

I have to move to have this Constitution changed. This is because, after agents of the Los Angeles County District Attorney admitted during depositions that they submitted false returns to a search warrant, their lawyers covered up the lost property, by forging discovery responses.

When Anant Tripati insisted on going through with the challenge, lawyers wrongly invoked California Civil Procedure {CCP} 391. After we deposited the \$50,000 [**BC 343351, BC 326528**] the courts still refuse to hear the case on the merits. The matter is before the Supreme Court now [**S 14 5955, S 146100, and S 146338**].

I believe it is wrong for public officials to engage in fraud upon the courts, and cover-up this misconduct using the tactics used in my husband's case.

Likewise, I believe it is wrong for judges to cover-up for public officials.
